to me, Sunil, Leroy

Hi Smita,

Here you go;

EcoKids has been a part of ASB Intersessions for 4 years. Smita's love for all things green and for our precious earth is evident in the way she curates and conducts classes. She and her team bring immense passion to teaching young learners about our natural world in a fun and memorable way. Be it journey of a seed to sap or the metamorphosis of a caterpillar to butterfly, she beautifully arranges the class fusing it with art, role-play and songs.

Thank you!

Snehal Pereira
