

## TESTIMONIAL

Date: 18<sup>th</sup> December 2018

To whomsoever it may concern

As a part of our celebrations for World Environment Day we had Ms. Smita Kharbanda of M/s EcoKids, conduct the following workshops:

1. Mini Garden Trays on 8<sup>th</sup> June 2017
2. Container Gardening on 21<sup>st</sup> June 2017
3. Recycling & Waste Management on 13<sup>th</sup> June 2018

The workshops were well conducted and included Hands-on activities where our employees actively participated and designed a mini-garden tray to get connected with Nature, built gardens in discarded materials & containers, and learnt the impact of plastic pollution including how everyday objects that we throw away can be repurposed.

We thank EcoKids for conducting this workshop and inculcating awareness among our employees to help them provide a greener future for the coming generations.
